COMMENTS ON NOTICE OF ALLOWABILITY

Sir:

The Notice of Allowance mailed September 19, 2006 for the above-identified application is acknowledged with appreciation. It was observed that page 1 of the Notice of Allowability states that claims 1-7 and 10-27 are allowed. However, the remainder of the Notice clearly indicates that claim 28 is also allowed. Thus, the allowed claims should be designated as claims 1-7 and 10-28. Since this appears to be a minor oversight on the Office's part, it is not necessary for the Office to formally respond to this paper. Nevertheless, the Applicant will appreciate the Examiner's assistance in making sure that all claims 1-7 and 10-28 are properly published in the patent corresponding to this application.

Respectfully submitted,

Date: December 15, 2006
